Continuation of Substance of Interview including description of the general nature of what was discussed: The Examiner contacted the attorney to enforce a restriction between claims 1-7 and claims 8-20. After consulting with the Applicant, the Attorney of Record elected Group I, Claims 1-7. Upon completion of a search of the prior art, for the elected embodiment, no prior art was found that shows the anticipation or the obviousness of the claimed invention. Hence, the Examiner again contacted the Attorney of Record to authorize an amendment to the Abstract, and to cancel the non-elected claims; thereby leaving only the elected claims pending, to which a notice of allowance has been attached hereto.
